Vacancy – Sight Loss Awareness Champion

Volunteer Opportunity: Become a Sight Loss Awareness Champion

Are you passionate about making a difference in your community? Sight Cymru is looking for volunteers to join our Widening Vision project as Sight Loss Awareness Champions. This volunteer role is all about raising awareness of sight loss, promoting good eye health, and working towards a more inclusive and accessible society.

As a Sight Loss Awareness Champion (Volunteer), you will:

- Support our team in delivering awareness-raising sessions in schools, workplaces, and community groups
- Educate others about the challenges of living with sight loss and how to support people affected
- Help break down barriers by promoting accessibility across different sectors

What we offer:

- Initial training to prepare you for the role
- Ongoing support from our friendly team
- Opportunities to meet and collaborate with fellow volunteers

This is a voluntary role – ideal for anyone looking to gain experience, build confidence in public speaking, and contribute to a powerful cause. Flexible commitment – work with us in schools, community groups, and organisations in your area.

Interested in becoming a volunteer champion for change? Get in touch with Sight Cymru today!
